Subscribe to the Diaconia Christi Magazine

Since its foundation the International Diaconate Centre has been publishing the **Diaconia Christi** magazine. Indeed since the very first issue in 1966 the magazine has tackled topics which are relevant to the development of the diaconate.. Along with texts of a pastoral-practical or systematic-theological nature you will also find up-to-date information on the development of the diaconate in various countries. Some of the issues are thematic, dealing with specific diaconal tasks; others contain reports on diaconal projects worldwide.

Among the authors there are scientists as well as deacons, priests, bishops and lay people from different countries. The articles are published in German, English and Spanish.

Diaconia Christi is published twice a year. The price of an individual issue is 10 €. A yearly subscription is 20 €.
